

Action Plan

Goal A: There is sufficient locally available medical, dental, pre-natal, specialty care, and mental health resources for everyone living in Frederick County regardless of ability to pay for services.

Objective: The coalition has a concrete action plan for providing care to uninsured and underinsured people.

	Action	Who	When
1	Recommend to the Executive Committee of the Health Care Coalition that the establishment of non-profit status be investigated for the purpose of applying for and securing grant funding and donations, and coordinating services.	Chair	1-Jul-07
2	Create a Frederick County guide of available health care resources for un/underinsured residents.	All committee members	TBD
3	Make guide available to residents and service providers through a variety of outlets(i.e. web, print, phone/211)	All committee members	TBD
4	Continue to investigate and pursue, if possible, grant funding opportunities which would serve to increase the availability of health care for Frederick County's uninsured residents	All committee members	Ongoing
5	As the results of the community health needs assessment become available, review and evaluate findings and develop appropriate goals, objectives, and action plans to address health care needs.	All committee members	Ongoing
